The Principal
Toronto University.

Sir

Having arrived in this city a few days ago, I am very anxious to obtain employment of some sort, as I have very little capital to draw upon. Would you, Sir, give me a post of any kind in connection with the University? or would you use your influence on my behalf? I am staying at the above address with a friend of mine, Major H. W. Biddulph, who has come here with a view to obtaining a military billet. Perhaps, Sir, you would be good enough to see me personally on the matter. I feel confident that I would give satisfaction in the discharge of any duties assigned to me, and I am capable of any amount of hard work.

As I have very little "cash in hand" to keep me going, I would be glad to obtain employment of any kind whatsoever, and would be very grateful to you, Sir, for your help in the matter. Would you, Sir, require any kind of secretarial work to be done for you, at a very small salary, just to start me, and I would probably be able to better my position later on. I am son of the late R. J. Mitchell M.A. Litt.D. Dublin, and have two brothers: -

Major Lionel Arthur Mitchell R.A.M.C.

B.A. M.B. T.C.D.

and

Reginald Alfred Mitchell B.A. L.L.D.

Barrister-at-Law.

Dublin.

I may add that I am (as my father was) a total abstainer, and have been so all my life. Professor Thrift will give me excellent recommendations.

I remain, Sir,

Yours very obediently

Edward Owen Mitchell.

Dear Sir:

I have just received your letter asking for some employment in connection with the University. I regret that at present we have no vacancy that would suit you. Our secretarial positions are all filled, and I know of no probability of an opening. I would recommend you to apply to some of the banks, as they possibly might desire a well equipped man of your type and character.

Yours sincerely,

President
